Welcome to the Stanley Agricultural Society Exhibition! The Stanley Agricultural Society began in 1947 with a group of resourceful farmers. The first fair was in September and was a busy, one-day affair. In 1986, the fair merged with Old Time Value Days to form the Winkler Harvest Festival and Exhibition.

The Festival and Exhibition combine to provide wholesome family entertainment. The Exhibition is a format for education and awareness of the agricultural industry and rural life. With the Exhibition, Horse and Cattle Shows, the Stanley Agricultural Society continues to be a showcase in the community.
